 **THE SB GROUP**

Warm greetings to Uxbridge FC, their committee and fans to The SB Stadium for tonight's Pitching-in Premier South League match.

Following the disappointing 2024/25 season, we have had a busy summer both on and off the pitch. Comprehensive improvements to the The SB Stadium and a major squad rebuild should hopefully address the drop in standards we all witnessed throughout the previous campaign. Jordan Ive has built an impressive, new look squad. Several new faces will bring a new dimension to our on-field performances. However, it may take a little time to gel, and this proved the case when we slipped to a 1-0 defeat at Berkhamsted in our opening league match at the weekend.

We have an opportunity tonight to get our season underway and welcome the existing and new season ticket holders who kindly donated as part of our community project in partnership with the Bracknell Foodbank.

Today's opponents, Uxbridge, newly promoted to the Premier South, had a solid 0-0 draw against Dorchester Town in their opening league fixture. With a few familiar faces in their line-up, they will be looking cause a few difficulties for the new look Robins.

There has been a lot of activity over the summer at the SB Stadium, the improvements are still ongoing and due to complete over the next few weeks. Please keep an eye out on our social media channels for all the latest news and updates.

Opening day defeat for new look Robins

A new look Bracknell Town travelled to Berkhamsted for the opening game of the new season, eager to put last year's disappointments behind them. Optimism was high amongst the traveling Robins fans.

With the sun beating down, the match kicked off at a lively tempo. Berkhamsted started brighter, pressing high and testing Bracknell's resolve. However, the Robins' defence, comfortably dealt with the early pressure. Gradually, Bracknell Town found their footing, and for the first 20 minutes, the two sides were evenly matched in a tightly contested battle. The Robins' first chance arrived after 25 minutes when George Hunt's curling free kick drifted just wide, failing to trouble the Berkhamsted keeper. Moments later, Seb Bowman unleashed a fierce long-range shot, forcing a sharp save from the goalkeeper, marking Bracknell's first effort on target.

The game remained even, with both teams looking for an opening. Bracknell thought they had taken the lead when Alfie Pavey latched onto a rebounded Francis Amartei shot, slotting it past the keeper. However, celebrations were cut short by the offside flag. As the first half drew to a close, Berkhamsted grabbed the advantage.

In the 44th minute, Harding, firing a low shot into the net to give the hosts a slender lead at the break.

The Robins emerged for the second half needing inspiration but struggled to penetrate a resilient Berkhamsted defence. Chances were scarce, with the closest coming when half-time substitute Max Herbert's free kick in the 65th minute crashed off the crossbar.

Four minutes later, Herbert tried his luck again with another well-struck free kick, only for the Berkhamsted keeper to produce a good save to preserve their lead. The Robin's midfield, despite their efforts lacked the creativity to unlock the hosts' backline.

In a bid to spark a comeback, The Robin's introduced Remi Coddington and Charlie Kennedy, hoping their fresh legs would have an impact. However, the substitutions failed to ignite the attack, and the Robins remained frustrated by Berkhamsted's disciplined shape. The hosts nearly doubled their lead in the 83rd minute when a curling effort struck the woodwork. As the game petered out, Berkhamsted held firm, securing the all-important three points. The Robins faithful left disappointed, optimism tempered by a somewhat tame performance that needs improvement.

The Robins now turn their focus to an immediate opportunity for redemption as they face Uxbridge today at the SB Stadium. The team will need to regroup quickly, and with home crowd support kickstart their season.

Bracknell Town Football Club, formed in 1896, as Old Bracknell Wanderers and changed its name to Bracknell F.C. in 1949.

The club played in the local leagues until joining the Great Western league. After four seasons in this league and renaming the club Bracknell Town in 1962 the club was elected to the Surrey Senior League, which they won in the 1969/70 season. The club also won the league cup in 1968/69 and 1969/70. After this success, the club entered the Spartan League (later re-named the London Spartan League) and finished runners up on goal average in 1975/76, in which they also reach the fifth round of the FA Vase.

After winning the league in 1982/83, they were promoted in 1984 to the Isthmian League Division Two South. They were promoted to Division One as runners-up in 1985/86, finishing third in their highest ever league placing. However, in 1988/89, Bracknell Town were relegated and following a re-organisation of the Isthmian League were placed in Division Three in 1991/92.

2016 – 2017

At the start of the 2016/17 season under the guidance of new chairman Kayne Steinborn-Busse the club embarked on a major re-development of the ground with the installation of a state-of-the-art 3G pitch, changing facilities and club house and in keeping with this total modernisation re-branded the clubs logo. The reaped major benefits from this work with all teams down to the youngest age group now able to play and train at Larges Lane.

2017 – 2018

In 2017/2018 season we had a titanic battle with Thatcham Town for the top slot, both teams accumulating 98 points for the season with Thatcham Town's superior goal difference of 104 goals securing the title by a mere 2 goals. However, due to a restructure of the leagues our efforts were rewarded with promotion to Step 4 in to the Bostik South Central League. We also managed to get our own back by beating Thatcham in the final of the Bluefin Sport Challenge Cup to add yet another trophy to our collection.

2018 – 2019

The 2018/19 season was our first venture into Step 4 for many years and once again we

came close, finishing second behind Hayes & Yeading and missing out on promotion by losing the play-off final to Cheshunt. We reached the semi-final of the Velocity Trophy with impressive victories against sides much higher up the footballing pyramid.

The Covid Years

Despite both the 2019/2020 and 2020/21 seasons being cut short by Covid, the club's on-field ambitions were matched by our efforts off the field. We embarked on a project to move away from Larges Lane to build a new 2500 capacity stadium at Bottom Meadow, Sandhurst, which hosted our first competitive match in August 2021.

2021 – 2022

2021/2022, a monumental season for the club, we gained promotion to Step 3 for the first time in our history. The Isthmian League South Central title secured with 96 points out of a possible 108 with a 20-point winning margin.

2022-2023

Under the guidance of joint managers Jamie McClurg & Carl Withers our first season in Step 3 was one that will go down in the club's history. Reaching the 1st Round of the FA Cup and home tie against Ipswich Town FC, one game away from the quarter finals of the FA Trophy, our journey ending in a home defeat to Altrincham FC. Runners-up in the Southern Premier, missing out on promotion to Step 2 to a 90th minute goal against Truro Town.

2023 – 2024

A new state-of-the-art 3G pitch, the first of its kind in the UK, completed during the summer of 2023, at Bottom Meadow, Sandhurst.

A reshaped squad and a managerial change mid-way through the season did not stop Jordan Ive and the team putting together fantastic late run to make the play-offs for the second consecutive year. Alas, a 2-1 defeat by AFC Totton in the semi-final ended our hopes of reaching step 2 for another season.

2024 – 2025

Another big year for the club, Bracknell Town FC was sold to new owners in July 2024, but control was returned to The SB Group in April 2025. Kayne Steinborn-Busse will raise the standards both on and off the pitch and as part of the process Jordan Ive is back as manager for the 20205/2026 season.

In the late 19th century, the game of "football" was growing in popularity, and on the 3rd February 1871 a group of eminent local businessmen held the inaugural meeting of Uxbridge Football Club. A local solicitor, Mr William Gardiner, was elected as the Club's President and the club's colours were chosen as white shirts with a light blue Maltese cross and a light blue velvet cap with silver tassel. Friendly games against local opposition were played in the early years, until the FA Cup was entered in 1873. A First Round Victory over Gitanos set-up a Second-Round tie against eventual finalists Royal Engineers, which the Engineers narrowly won 2-1. It was at this time that Uxbridge could boast amongst its ranks a Full England International. Hubert Heron played for England on two occasions whilst an Uxbridge player before he moved to Wanderers FC where he gained further international honours.

His brother Francis, formerly of Uxbridge, also played for England after joining him at Wanderers FC. The club changed its colours to Oxford Blue and Cambridge Blue shirts in 1874 but they were in financial difficulties and folded later that year. The main problem for Uxbridge was the lack of a permanent home ground (a problem that was to plague them until the middle of the next century), the committee searched the town for a suitable base but were thwarted at every turn and they led a nomadic existence, moving ground every few years. The enthusiasm for a team in Uxbridge was still prevalent and the Club was reformed in 1879. In 1886 Uxbridge FC amalgamated with another local club, Uxbridge Crescents, and played under this name in season 1886/87, before reverting to plain old Uxbridge the following season. It was at this time that the Red Shirts, which are still worn today, were adopted and the nickname "The Reds" was born. Their first trophy was won in 1889 when they lifted the West Middlesex Cup, defeating Colnbrook 1-0 in the Final.

The end of the 19th century was a particularly successful period for The Reds as they won the West Middlesex Cup on three further occasions and also won the prestigious Middlesex Senior Cup twice. In 1894 they beat the 3rd Grenadier Guards 2-0 and repeated that success two years later with a 3-2 victory over local rivals Southall in a replay in front of over 5000 spectators.

The outstanding achievement however was in reaching the final of the F.A. Amateur Cup in 1898. This was the club's first season in the competition, and they had to win eight ties before meeting Middlesbrough in the final at Crystal Palace. Unfortunately, their Northeast rivals proved too strong for them on the day and ran out 2-0 winners. During this successful period for the club, they became founder members of Division Two of the Southern League in 1894, finishing fourth in their first four seasons. However, in season 1898/99 they finished next to bottom and the dwindling crowds (averaging around 500) meant that financially the club was once again in trouble. A decision was therefore taken to withdraw from the Southern League and join the local Middlesex League to try and stabilise the club.

However, a majority of the more talented players joined other clubs, and they struggled in their new surroundings, finishing bottom with only one point from their 14 games. At the end of the season the club had a deficit of £130 and with few players the club once again folded. For two years much fund raising amongst the local community finally saw the club's debts paid and the reformed Uxbridge FC joined the West Middlesex League for the 1902/03 season. In 1904 the Great Western Suburban League was entered and here they stayed until the outbreak of the First World War. Their best finish during this period was as Runners-up to Brentford Reserves in 1910/11. They also won the Middlesex Charity Cup on two occasions in 1908 and 1913, as they looked to re-establish themselves as a force in the football world. Following the end of hostilities Uxbridge joined the Athenian League and added "Town" to their name. An unsuccessful first Athenian League campaign saw them relegated back to the Great Western Suburban League in 1920.

A successful four seasons saw them back in the Athenian League in 1924 where they remained until 1937. The Middlesex Charity Cup was won for the third time in 1935 as Finchley were beaten 4-3. Two poor seasons saw them finish bottom of the Athenian League in 1936 and 1937 and the club failed to be re-elected. They joined the Spartan League for the 1937/38 season, dropping "Town" from their name at the end of the campaign stood proudly at the summit.

Championship celebrations however were cut short when it was discovered that The Reds had played an ineligible player and were deducted six points, placing them in third position behind Champions Marlow. Following the debacle of their one and only season in the Spartan League they resigned and joined the London League prior to the Second World War. During the war years they continued to play and joined the newly formed Great Western Combination League before re-joining the London League in 1945, finishing as Runners-up to Edgware Town. Uxbridge were founder members of the Corinthian League in 1946 and remained in this league for the next seventeen years. Finally, in 1948, after over three quarters of a century of searching, a ground of their own was purchased. A piece of land in Cleveland Road, Cowley was bought for £5,800 by then President Mr W.S. Try. The ground was named after a large house that stood on the land and "Honeycroft" was the new home of Uxbridge Football Club.

During this period, they won their only Championship to-date when they were crowned Corinthian League Champions at the end of the 1959/60 season. They also won the Middlesex Senior Cup for the third time in 1951 when they defeated Hayes 2-1. This was a successful period in the club's history as they finished in the top five of the Corinthian League on no less than eight occasions and crowds were averaging around the thousand mark. A re-organisation of non-League football saw the end of the Corinthian League in 1963 and club found itself once again in Division One of the Athenian League. This was a lean time for The Reds, they were relegated to Division Two in 1967 and financial problems once again beset them. They gained national publicity in 1976 when England were looking for a side to play as part of their warm-up for the forthcoming World Cup campaign. Uxbridge took on a full-strength England at Wembley, losing 8-0. The ground problems that had blighted Uxbridge throughout their history surfaced once again and the club had to find a new home.

In 1978 they moved to their current headquarters in Horton Road, Yiewsley. A former works Sports & Social Club they have developed the site to the superb standard you

see today. Over the past 43 years they have added floodlights (opened by the visit of Arsenal in 1981), new stands, fencing and in more recent times a new clubhouse was opened and car park laid. On the playing front the club won the Middlesex Charity Cup for the fourth time in 1982, their first silverware for 31 years, and moved to the Isthmian League in the same year, winning promotion to Division One in 1985. The Final of the AC Delco Cup (League Cup) was reached in 1986, where they met Premier Division Champions Sutton United. The Reds failed to stop Sutton completing "The Double" though, losing 3-1 in the Final in front of over a thousand spectators at Imber Court, the home of Metropolitan Police FC,

Uxbridge entered the London Challenge Cup for the first time in the 1992/93 season and hence followed a love affair between the Reds and the magnificent trophy. In the eight seasons they entered the competition they reached five finals, winning on three occasions in 1994, 1997 and 2000. They won the Middlesex Senior Cup for the fourth time in 2001, defeating Harrow Borough 3-0 in the Final held at Honeycroft. In 2004 the club were moved across the pyramid to the Southern League and have reached the Play-Offs on three occasions. In 2004/05 they lost on penalties, after leading Maldon Town in extra-time, in 2007/08 they narrowly lost 0-1 at Oxford City and in 2011/12 they lost 2-1 at Bedworth United in the Semi-Finals. In 2018 Uxbridge were moved back across the pyramid, re-joining the Isthmian League in the South-Central Division. In 2019 Uxbridge appointed only their sixth manager in over fifty years. Ron Clack was in charge for 18-years from 1970, followed by Peter Marshall for one season, Michael Harvey for three, before George Talbot took the reins for fourteen seasons in 1992. In 2006 Tony Choules became the man in charge, being replaced by our current manager Danny Edwards in 2019. Danny is a UEFA A licensed coach who spent 15 years as manager of Chalfont St Peter AFC. He steered Chalfont St Peter to Step 4 of the league system in 2011, as well as reaching the 3rd Qualifying Round of the Football Association Challenge Cup on three occasions. The Middlesex Charity Cup was won for the 8th time in 2022, with a 2-0 victory over Hanwell Town. This feat was repeated in 2023 when North Greenford United were defeated 2-1 in the final at Bedfont Sports.

In recent times the club have mourned the passing of several club stalwarts. President Alan Odell, who had been associated with The Reds for eighty years, in 2016. Long serving Chairman Alan Holloway in 2021, a year later "Mr Uxbridge", David Tucker who had been associated with the club for over 50 years and was a massive influence in the running of Uxbridge Football Club. And just this summer former Secretary and President Roger Stevens was taken from us. Mark Bantock took over as Chairman from his stepfather, Alan Holloway, and under his stewardship the club has used the legacy left by "Mr Uxbridge" to revitalise the Club. A 3G pitch was installed in 2023, along with new floodlights, pitch surround, dugouts and a 158-seater stand on the far-side of the ground. The Clubhouse has been refurbished to a high standard, providing a space to enjoy for both home and visiting fans.

Last season will live long in the memory of all Uxbridge supporters. After a poor start to the season, one point after four games, The Reds steadily climbed the table, finally finishing as runner-up to runaway Champions Farnham Town. A goal down in the Play-off semi-final against Kingstonian they fought back to lead 2-1, until Eddie Simon equalised ten minutes into stoppage-time to force the tie into extra-time and then penalties. A 100% record saw them triumph 5-4 and a place in the Promotion Final. A record crowd at Honeycroft Horton Road of 1535 witnessed a pulsating final, in which Hanworth Villa took the lead. Once again, the Reds showed great character and resilience to fight-back and George Moore sent a powerful drive into the bottom corner to seal promotion to Step Three of the pyramid. Their first promotion in forty-years!
